

POPSTART

LEARN AN INSTRUMENT

Pop Start gives children in years 3 to 6 a chance to perform as part of a band. No previous experience is necessary and all instruments and equipment are provided.

Children have a choice of guitar/bass, keyboard, drums and singing. They will learn to perform age-appropriate pop songs from the likes of Dua Lipa, Imagine Dragons and Myles Smith. They will perform in bands of up to nine children, with the music adapted to suit their ability.

Playing music is not just great fun. They will learn the value of listening to and cooperating with each other, being creative, improving concentration, boosting confidence and working hard to achieve their goals.

Pop Start costs £68 per term, with 10 band practices lasting 30 minutes, culminating in a concert for parents and carers. All sessions will be during the school day or as an after-school club (usually for year 6).

Payments are made in advance before the start of term to ensure that each band line-up is consistent while they are working together on a song.

Children who took part in Pop Start in Spring term will be given the option to continue, but you **must re-register** to secure their place.

Please have a chat with your children to see if they'd like to sign up. You'll be given a chance to select instruments in order of preference. Some instruments are always oversubscribed so the more instruments you select, the

better chance your child has of getting a place.

Registration is open until **midday on Sunday 19th July 2026**. I'll confirm places/instruments shortly after this, and payments will be due by Sunday 26th July. After this, any remaining places will be offered on a first-come-first-served basis.

Please visit www.popstart.co.uk to register. Any questions, please get in touch at ben@popstart.co.uk.
