

Wintringham Primary Academy SEND Newsletter Autumn 2026

Introduction

At Wintringham Primary Academy, we believe every child deserves the opportunity to thrive. This SEND Newsletter is designed to keep families informed and provide guidance and support throughout your child's educational journey.

What do I do if I have a concern?

1. Speak to your child's class teacher and share your concerns. You may be able to do this on the door or you may need to contact the office to make an appointment with them.
2. If concerns remain, arrange a meeting with the school's SENDCo to discuss your child's needs.
3. Agree next steps and follow up in a timely manner.

What can I expect at SEND parent's evening?

1. Share the support your child receives through Ordinarily Available Provision in class.
2. Explain any additional SEND support or interventions your child receives.
3. Discuss what is working well and any next steps to support your child.
4. Share your child's attainment and progress and share their successes.

What is Ordinarily Available Provision?

Ordinarily Available Provision (OAP) is the inclusive support that we provide to help all children, including those with additional needs, access learning, participate fully in school life and achieve. This may include adapted teaching, visual timetables, sensory breaks, and additional adult guidance to meet individual needs.
