3rd February 2026

Dear Parents and Carers

We would like to make you aware of some exciting events taking place at our school over the next two weeks, leading up to the half-term break.

Friday 6th February – NSPCC Number Day 2026

NSPCC Number Day will be a whole-school event with a focus on maths and wellbeing. Children will take part in fun maths and PSHE activities, working alongside pupils from different year groups as well as their own. This day aims to promote enjoyment of maths while supporting important wellbeing messages.

Tuesday 10th February – Safer Internet Day

To mark Safer Internet Day, each class will take part in discussions and activities focused on the importance of staying safe online. Children will explore how to use the internet responsibly and safely in an age-appropriate way.

Friday 13th February – Lunar New Year

We are kindly supported by parents who will be coming into school to provide workshops for some of our classes. These sessions will help deepen the children's understanding of Lunar New Year and celebrate cultural diversity within our school community. Thank you for your continued support. We are looking forward to a busy and enjoyable couple of weeks at school.

Yours sincerely

Mrs Tracy Bryden
Executive Headteacher
