5<sup>th</sup> December 2025

Dear Parents and Carers

## **History Off The Page Day – History of Toys**

To complement our study of toys, we have invited History Off the Page to provide a History of Toys Day in the school on Monday 12<sup>th</sup> January 2026. If you have paid your child's annual contribution, there will be no additional charge for this activity. If you choose not to pay the annual contribution, the cost of the activity will be £20.00, which will be invoiced to you. It is therefore more cost effective to pay the annual contribution in the long run. All payments for the activity will need to be made in the Trips, then Annual Contribution payment section of Arbor.

History Off the Page is a company which provides immersive and practical History, Science and Literature workshops to schools. The workshop, which will take place in the school hall during normal school hours, will allow the children to explore toys in an investigative way. The children will not need to dress up for this day.

On the day, your child will explore how toys have developed and changed over time, including the materials they are made of and how they are used. Based on what they learn, they will then make simple toys of their own. The children may keep the items they make.

Yours sincerely

Mrs Tracy Bryden  
Executive Headteacher  
On behalf of Wintringham Primary Academy (part of TDLPT)
