Dear Parents and Carers

We are looking to develop and enrich our outdoor learning and play space, and we would love your help!

To create exciting new opportunities for imaginative play, problem-solving, and exploration, we are collecting natural and recycled materials such as:

- Log stumps (for seating or stepping stones)
- Branches and small logs (for building and den making)
- Logs or timber for edging/borders
- Mud kitchen items (old pots, pans, utensils, bowls, etc.)
- Guttering or pipes (for water play and construction)
- Wooden pallets
- Cable reels (large or small)

If you have any of these items at home, from your garden, or through your workplace, we would be very grateful for any donations. Please bring them in or speak to Mrs Clarke (in Pre-school) to arrange collection.

Your support helps us provide a rich, hands-on environment where children can explore, imagine, and learn through play.

Thank you so much for your generosity and continued support!

Yours sincerely

Mrs Tracy Bryden  
Executive Headteacher
