Dear Parents and Carers

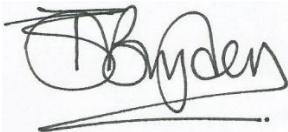

We are always looking for ways to inspire a love of reading for the children at Wintringham Primary Academy, and one of the best ways to do this is by sharing great stories together at home. To support this, here is a list of recommended books for each year group. These are not part of a challenge or something children are expected to tick off or bring into school. They are a collection of high-quality, engaging books that we believe children will really enjoy reading during their time in that year group.

You might read some of them aloud together, or your child might choose to read them independently. Many are available at local libraries or bookshops, and you may even discover some of them already on your bookshelf at home! We hope these lists help spark new interests and encourage more reading for pleasure at home.

If you would like a copy of the recommended reading list for your child's year group, please speak to your child's teacher.

Thank you for continuing to support your child's reading journey. Every book shared helps build vocabulary, confidence, and most importantly, a lifelong love of reading.

Yours sincerely

Mrs Tracy Bryden
