Dear Parents and Carers

We are pleased to let you know about a new funding opportunity that could help you or your child take part in sport and physical activity completely free for up to 12 months.

Living Sport has launched the Sporting Chance Grant Scheme for adults and children living in St Neots and surrounding areas, thanks to a generous donation.

What is the grant for?

The grant can cover the cost of sports club memberships, swimming lessons, dance classes, and other physical activity sessions for up to a year.

Fund Criteria:

- Be a Cambridgeshire resident living in or around St Neots and be aged over 4 (adults and children)
- Receive Income Support or Universal Credit or income related free school meals or be otherwise 'just managing financially' subject to referral from a professional/school

In the case of too many applications Living Sport will prioritise applications from:

- Those who do not already take part in physical activity due to financial restrictions
- Those with a disability which impacts on their ability to take part in physical activity

How to apply:

Applications are now open and they will close on the 29th July To apply, visit:
<https://livingsport.co.uk/sporting-chance/>

If your application is approved, the funding will be paid directly to the club or provider – you won't need to pay anything upfront. Living Sport kindly ask for a little feedback at the end of the activity as part of the programme's evaluation.

The Diamond Learning Partnership Trust is a company registered in England and Wales.

Registered Company Number: 8062508. Registered Office: Andrew Road, Eynesbury, St Neots, Cambs. PE19 2QE

If you have any questions or would like help applying, please feel free to contact Abbie Mills at sportingchance@livingsport.co.uk.

This is a great chance for families to get active, try something new, and have fun – we encourage you to apply if you are eligible.

Yours sincerely
