Parenting Top Tip

Steps to take when responding to **Sibling Rivalry**.

1. **Ignore** – If there is bickering or if it's the very start of a disagreement.
2. **Listen & give feedback** – If there are raised voices and tempers, reflect each child's point of view, and express confidence in your children's problem-solving abilities.
3. **Warn if things are escalating** – let the children know the boundaries and the family rules.
4. **Intervene** – if there is violence, pushing or name calling separate the children and give a cooling down period for everyone.

Activity Ideas

- **Play Hopscotch** – this encourages your child to take turns, listen to instructions and cooperate with others. You will need chalk, a stone and a pavement to draw your hopscotch board.
- **Create a mini garden** – collect petals, leaves and twigs and lay them on a paper plate or in a small box to create a mini garden. This encourages your child to use their imagination and explore nature.
- **Scavenger hunt** – find different kinds of leaves, rocks, flowers or insects, and encourage your child to go outdoors and be active, whilst promoting observational skills and problem solving.
- **Dance / Yoga** – pop on your favourite tunes and show your groovy moves. This can support a child's coordination and balance, whilst also encouraging mindfulness and emotional regulation.
