Dear Parents and Guardians

We are delighted to inform you about a fantastic opportunity for your child to participate in the upcoming Masterclasses at Kimbolton School. Celebrating 21 years of success, these Masterclasses are free of charge and ideal for Year 5 children who are naturally curious and love to learn.

The programme includes sessions in English & History, Mathematics and Sciences, taking place on Saturday mornings over six weeks during the Autumn Term 2025. These sessions are highly interactive, explore topics beyond the National Curriculum and allow children to engage with peers from a variety of schools.

Many participants find that the Masterclasses boost their confidence and provide excellent preparation for their transition to secondary school.

Please find the booking links and passwords below.

Registration for our masterclasses open on Friday, 4 July 2025.
