

POPSTART

WINTRINGHAM, SPRING 2025

LEARN AN INSTRUMENT

Pop Start gives children in years 3 to 6 a chance to perform as part of a band. No previous experience is necessary and all instruments and equipment are provided.

Children have a choice of guitar/bass, keyboard, drums and singing. They will learn to perform age-appropriate pop songs from the likes of Dua Lipa, Imagine Dragons and Katy Perry. They will perform in bands of up to nine children, with the music adapted to suit their ability.

Playing music is not only great fun. They will learn the value of listening to and cooperating with each other, being creative, improving concentration, boosting confidence and working hard to achieve their goals.

Pop Start costs £6.65 per week. Band practices are during the school day or as an after-school club. Pop Start is launching at Wintringham after February 2025 half term. Sign-ups are for a five-week block for £33.25 to take us up to the Easter holiday. In summer term and beyond, we'll be running 10-week blocks per term, culminating in an end-of-term concert for parents and carers.

Please have a chat with your child to see if they'd like to sign up. Registration is open from Friday 31 January until **midday on Wednesday 12 February 2025**.

You'll be given a chance to select instruments in order of preference. Some

are often oversubscribed, so the more instruments you select, the better chance your child has of getting a place. Once I've confirmed which instrument I can offer you, payments are requested in advance of the beginning of the block. This ensures that each band line-up is consistent while they are working together on a song.

Please visit www.popstart.co.uk to register.

Any questions, please get in touch at ben@popstart.co.uk.
