Dear Parents and Carers,

Nuffield Early Language Intervention (NELI)

We are delighted to share with you that our Pre-school will be running a programme called Nuffield Early Language Intervention (NELI) provided by OxEd and Assessment. The programme involves providing targeted small group and one-to-one support for children who would benefit from additional support with their language and early literacy skills. For more information about NELI, please visit www.teachneli.org.

The NELI programme begins with an assessment of the children using a tablet-based assessment called Language Screen. This assessment is to help us understand who may benefit most from receiving the NELI intervention. Language Screen is a short activity for children, which gives useful information about children's language skills. The assessment is used again at the end of the school year to help us see how children's language skills have benefited from the NELI intervention. For more information about Language Screen, please visit www.oxedandassessment.com/languagecreen.

To implement the assessment, the school needs to upload information about our Pre-school children to OxEd. OxEd's data privacy statement, detailing how data is collected and used can be accessed [here](#).

The DfE's over-arching privacy notice for the project can be accessed [here](#) as well as the [privacy policy for Nuffield Foundation Education Ltd](#) who are delivering the NELI programme on behalf of the DfE.

We hope you are as excited as we are about this wonderful opportunity for the children. If you have any concerns, or do not wish your child to be assessed using Language Screen, please let Mrs Saunders know by Tuesday 28th January.

Yours Sincerely,

Mrs Tracy Bryden
