Dear Parents and Carers

If your child will be staying in Pre-school in September 2026, we want to let you know of some changes to our charges and provide details of the Government funding which is available from 1st September.

If you will be paying for some or all of your child's sessions, we will be increasing our charges from 1st September 2026 to:

£6.75 per hour (£20.25 per session) for three and 4 year old children from the term after their third birthday.

£7.00 per hour (£21.00 per session) for two year old children until the term after their third birthday.

The Government funding available for Early Years is explained in the attached explanation sheet from Cambridgeshire County Council's Early Years Funding Team. This also confirms the deadlines for applying for Working Parent funding. It is important that you apply by the given date to obtain funding for that term. The sheet also includes links to the Best Start in Life website (for working parent applications) and details of where to apply online for 2 year old funding at [Funded hours for eligible 2 year olds - Cambridgeshire County Council](#) or by phoning the Early Years Funding Team on 01223 699805. You will need the National Insurance Number, date of birth and surname of the person in receipt of the qualifying benefit. If you are claiming either or these types of funding you will need to provide us with the code issued to you.

Universal Funding is available to all children between the ages of 3 and 4 from the term after your child turns 3. The eligibility dates for this are at the top of the explanation sheet.

Please do speak to the school office or one of the Pre-school team if you have any queries.

Yours sincerely

Mrs Tracy Bryden
