

Year 6 Curriculum Newsletter

Spring Term 2026

Dear Parents & Carers

Welcome back for another term at Wintringham Primary! We hope you are as excited for your children to be back at school as we are and that you are looking forward to an important year ahead. This is a particularly important time in Year 6, as this term especially will prepare pupils for the challenges of SATs. Please find below a summary of the main learning areas during this first term, along with some general reminders.

Homework

Children will be set homework on a weekly basis. This includes:

- **Reading** – Children will be reading their Accelerated Reader (AR) book in school for 15 minutes each day, as well as continuing to read at home. They will also have a Reading Record, which can be used to note down their AR book or any other form of reading they enjoy, such as blogs, news articles, recipes, or poems. This allows teachers to see what the children are reading, discuss their choices with them, and celebrate their love of reading.
- **CPG SATs Practice** – Year 6 homework will be set weekly using the CGP SATs Practice books for English and Maths. Pupils will be given specific page numbers to complete and are expected to record these clearly in their reading diary. Homework will be set from Monday to Monday to allow plenty of time for completion. If homework is not completed, pupils will be required to complete it during break time.
- **Spelling shed** – this is an additional learning opportunity, and the spellings set will match the ones they are focusing on in class that week.

P.E.

P.E. for Year 6 will take place on **Mondays**; however, this may be subject to change, so please ensure that your child's P.E. kit is in school all week. The correct kit includes: a white t-shirt, navy or black football-style shorts (not cycling shorts), trainers, and a warm top and jogging trousers for colder weather. For safety reasons, children must not wear earrings during P.E. lessons; they should be able to remove them independently or wear plastic alternatives. Please also ensure that your child has a named water bottle in school every day.

We are looking forward to an exciting term ahead and thank you in advance for your support.

Mr Colborne

Spring Term 2026 - Curriculum Units for Year 6

Art & Design

Our unit is 'Painting and Mixed media: Portraits.'

Computing

The children will be learning about the data handling unit: 'Big Data' as well as looking at online safety.

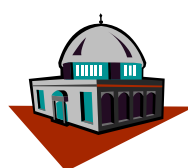

Science

Our first unit is 'Evolution and Inheritance' and 'Electricity'.

History

The children will be studying the unit: 'What was the impact of World War II on the people of Britain'

Religion and Worldviews

The children will be looking at answering the question 'Why is there suffering?'

Music

The children will be looking at the unit: 'Theme and Variation.'

P.E.

The children will be learning about the different skills that are used in Handball and Gymnastics.

Geography

The children will be looking at the unit: 'Where does our energy come from?'

PSHE

The PSHE units for the term are: 'Dreams and Goals' and 'Healthy me.'

French

The children will be learning how to write and say about what they do at the weekend.

Design and Technology

The children will be looking at the unit: 'Navigating the World', which involves making a digital product.
