English & Maths

In Maths, we have been looking at the three, six and nine times tables in detail. We have investigated the relationships between these multiplication tables to make generalisations and spot patterns. We will be moving on to looking at mental methods for subtraction and discussing appropriate strategies when subtracting.

In English we have started reading a new book called 'Varjak Paw'. It is a tale of adventure and discovery for a young kitten named Varjak after his home is invaded by a strange gentleman and his cats. We have been looking at a range of text types, including discussion texts. We will be moving on to looking at narrative writing, instructional writing and how to use a range of adverbials for affect.

Science

In Science, we have been looking at 'Digestion and Teeth'. This has included the study of teeth to get a better understanding of various animals diets. We have looked at the major organs involved with digestion and we have studied food chains and populations.

Next half term, we will be moving on to studying 'Electricity'. We will be looking at the components of an electrical circuit, as well as making our own circuits. We will be discussing the many uses of electricity and how we use it in our every day lives.

Reminders

Please ensure that children have the correct P.E. kit and school uniform.

A P.E. kit includes: white t-shirt, blue/black shorts, jogging bottoms, blue/black jumper or hoodie. All jewellery must be removed before P.E. sessions.

Please can we ensure that children are always wearing the correct school uniform, including black school shoes.
