

Year 5 Curriculum Newsletter

Autumn Term 2024

Dear Parents & Carers

Welcome back for another year at Wintringham Primary! We hope you are as excited for your children to be back at school as we are and that you are looking forward to an important year ahead. Please find below a summary of the main learning areas during this first term, along with some general reminders.

Homework

Children will be set homework on a weekly basis. This includes:

- **Reading** – children are expected to read for at least 10 minutes, 5 times a week from their AR book and this should be recorded in their reading diary (date, name of book, page number) and signed by an adult.
- **Maths.co.uk** – this is an online tool where children will be completing selected questions

Further learning opportunities will be available. Further information for all homework will be sent in a separate letter.

P.E.

P.E. for Year 5 will be on Monday. This may be subject to change so please ensure that a P.E. kit is left in school all week. Please ensure that your child has the appropriate clothing and footwear in school for these lessons: a white t-shirt, navy football-style shorts (not cycling shorts), trainers, warm top and jogging trousers (if it is colder). Please also ensure that all children have a named water bottle in school every day.

We are looking forward to an exciting term ahead and thank you in advance for your support.

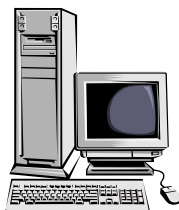

Mr Colborne

Autumn Term 2024 - Curriculum Units for Year 5

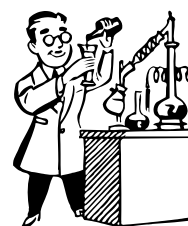

Art

Our unit is 'Drawing: I Need Space'. Children will learn about retrofuturism and how that has impacted space art in recent years.

Computing

The children will be learning about search engines. This will be linked to online safety.

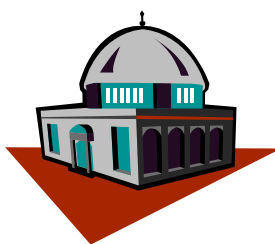

Science

Our first unit is 'Living Things and their Habitats'. This includes life cycles including plants and insects. The children will also be looking at 'Animals including Humans'.

History

We will be studying the Ancient Mayans in our History lessons, understanding their importance and the impact they have had on the world.

Religion and Worldviews

The children will be looking at answering the question 'Why do people have to stand up for what they believe in'.

Music

The children will be looking at music linking to composition and notation.

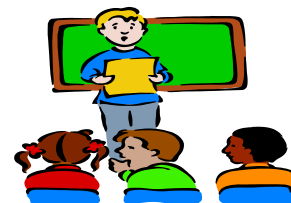

P.E.

The children will be learning about the different skills that are used in tag rugby, lacrosse,

Geography

The children will be looking at Globalisation and the impact it has on the world around us.

PSHE

The PSHE unit for the term is 'Being Me'. Within this, the children will be discussing their own goals. They will also be focussing on the unit 'Celebrating Difference'.
